#### Remarks

Exquisitely designed for refined living and effortless entertaining, this spectacular 4-bedroom + office/den, 4-bath residence offers over 4,200 square feet of impeccable craftsmanship. Built in 2019 and situated on a lush, half-acre double corner lot in the desirable, gated enclave of Harbour Walk, this meticulously maintained home seamlessly blends elegance, comfort, and functionality. Step inside to soaring ceilings, 8-foot doors, and an open-concept floor plan that flows beautifully from space to space. The gourmet kitchen is a chef's dream, complete with premium appliances and an adjacent wet bar—ideal for hosting. The indulgent primary suite is a private retreat, featuring its own wet bar, a room-sized custom walk-in closet, and a spa inspired bath. Each of the three additional en-suite bedrooms has been enhanced with designer custom closets, offering both luxury and practicality. Throughout the home, expansive windows bathe the interiors in natural light. Outside, the dramatically enhanced landscaped grounds are a showpiece in their own right, highlighted by vibrant plantings, landscape lighting, and a state-of-the-art irrigation system. The private backyard oasis is designed for both entertaining and relaxing, with a saltwater pool and spa, a full summer kitchen and wet
